

POOLE COMPUTER SERVICES

About Us

We are a local family run company based in the south coast town of Poole in Dorset. We offer a Fast, Friendly, Reliable Same day service for most computer/console repairs, Upgrades & Servicing. If you have a problem with your computer or games console then make us your First Call. We aim to provide a Same Day services for most jobs to ensure that you should not need to wait days, weeks or even months for your computer/console to be repaired. Here at Poole Computer Services we know just how important your computer is to you so we will endeavour to get the PC back to you in the shortest time possible. We hold most computer parts in stock so rarely need to order parts in to get your PC up and running again.

Fixed Price Computer Repair

We offer our customers the option to save even more money by dropping your computer in to us for a Fixed Labour charge. The maximum labour charge for all customers wanting to take advantage of this service is £60. The new rate for same day on site work (within 5miles)including the first 30 minutes will be £40 then £40 per hour for any additional hours. Most onsite jobs are completed within the first 30 minutes however if your computer needs to come back to our workshop for repair then the maximum labour charge will be £60 after the initial £40 fee is paid. Although we do not charge an extra "Call Out Fee" we do ask that you pay for time taken on the job. 99% Of all our Computer repairs are completed the same day.
